Dear Friend of Nonpublic Education,

On **November 4, 2019** over 250 nonpublic school administrators, serving thousands of Preschool through Grade 12 students from across Minnesota, will come together for the MNSAA's Annual Conference. Attendees will reflect on school improvement and engage in professional development opportunities. Our theme this year is **Connections are Key!** We will focus on school leadership and best educational practices that support the unique learning styles of individual students. **A full exhibition of academic services and educational materials is also planned!**

This year's event is hosted by **All Saints Catholic School** and will be held on their campus in **Lakeville**. We have chosen this school with sponsors and exhibitors in mind. Again this year, **an iPad will be raffled** to encourage participants to visit exhibitors. Vendors may enjoy the opportunity to offer prizes and gifts. Sponsorship levels range from **\$325 to \$2000** with some in-kind opportunities available. Your support and participation will be rewarded with significant visibility within Minnesota's nonpublic educational community.

Dr. Julene Nolan from Phoenix School Consulting is leading our day as the keynote speaker. The agenda will be energizing and allow school leaders the opportunity to interact with their colleagues on a host of pertinent topics. In addition to our annual business meeting, there will be **30 professional development sessions** on relevant topics including: *Social Emotional Learning, Staff Evaluation, Serving Special Needs Students, Curriculum Development, Strategic Planning for Improvement, Best Assessment Practices, Legal Issues Pertinent to Nonpublic Schools* and more!! **An opportunity for session presentations may be available to your organization.**

Educators in attendance represent the diversity of nonpublic schools in Minnesota. They will come from a range of large inner city schools to small rural schools. These administrators and teachers represent faith based, as well as those independently affiliated schools. This varied group of educators come with one commonality – the desire to provide outstanding educational opportunities for every student.

Please consider supporting this engaging program for Minnesota's nonpublic educational leaders. If you are interested in assisting us in making this a day of inspiration, complete the attached exhibitor application form and return with payment. Contact Kyle Wieskus at conference@mnsaa.org if you would like to be one of our **KEY SPONSORS!**

We appreciate your support and the opportunity promote you!

A handwritten signature in cursive script that reads "Sarah W. Mueller". The ink is dark and the signature is fluid and legible.
